

Small Group Discussion Questions for “No Other Gospel” - Session 6

Read: Galatians 4:21-5:12 - The “Gospel” of Secularism

1. What comes to mind when you hear a reference to the “gospel” of secularism?
2. What allegory does Paul use and why does he use it?
3. What does verse 26 mean that the Jerusalem above is free? What is the Jerusalem above?
4. You’ve probably noticed that we refer to the slavery/freedom metaphor a lot when studying the Bible and applying it to our lives today. How have you experienced spiritual slavery in the past (or the present) and how have you experienced the freedom of the gospel?
5. How do you keep your healthy spiritual disciplines (Bible reading, prayer, worship, community) from becoming means of justification themselves?
